

TRANSPERFECT LEGAL SOLUTIONS

TRANSCRIPTION SERVICES: Meeting All Your Transcription Needs In Over 100 Languages

PRECISION AND EXPERTISE

are the qualities that distinguish TLS's transcription services.

TLS is the first choice for the world's foremost law firms and legal institutions to fulfill a wide array of transcription requirements. We've earned the trust of every Am Law 200 and Global 100 law firm and virtually all the Fortune 500 legal departments.

When quality, expertise, and turnaround times are key to your success, select TLS to meet all your transcription needs.

"As always, TransPerfect provided excellent service. My account manager always keeps me up-to-date on the status of pending translations, which is of invaluable service to me since I am usually working with tight deadlines."

— Alston + Bird LLP

The TLS Solution

At TransPerfect Legal Solutions (TLS) we leverage our knowledge of each client's operations and project requirements to create tailored solutions for your transcription assignments. TLS has over 16 years of experience providing language solutions to the legal industry. By partnering with TLS, you will benefit from:

- A vast network of highly-skilled, certified linguists
- The fastest turnaround times in the industry
- An ISO 9001:2000 and EN 15038:2006-certified quality management system
- 24/7/365 client support

Serving the Legal Community

TLS understands that for the legal industry, accuracy and speed are imperative. With 18 worldwide production centers, we are able to serve all of our clients' needs on a 24-hour basis. Leading organizations partner with TLS because we focus on the time-tested principles of good business: high-quality results combined with superior client service. In fact, our clients have expressed a satisfaction rate of over 99% for our timeliness, quality, and service.

Our expert stenographers are experienced at transcribing a variety of live and recorded audio in over 100 languages, such as:

- Multilingual Depositions
- Interviews
- Investigative Recordings
- Wire Taps
- Trials & Hearings

Partnering with You

Each project is assigned a dedicated team of professionals to oversee your transcription. We understand the importance of accuracy when it comes to legal material. Your team will be well-versed in the specific requirements of each project and will partner with you to ensure that the most appropriate personnel and process is used.
